### Periodic Test (10 marks):

The school should conduct three periodic written tests in the entire academic year and the average of the tests two will be taken. The schools have the autonomy to make its own schedule. However, for the purpose of gradient learning, three tests may be held, as one being the mid-term test and other the two being pre mid and post mid-term with portion of syllabus cumulatively covered. The gradually increasing portion of contents would prepare students acquire confidence for appearing in the board examination with 100 per cent syllabus. The school will take the average of the best two tests for final marks submission.

### Notebook submission (5 marks):

Notebook submission as a part of internal assessment is aimed at enhancing seriousness of students towards preparing notes for the topics being taught in the classroom as well as assignments.

### Subject Enrichment Activities (5 marks):

These are subject specific application activities aimed at enrichment of the understanding and skill development. These activities are to be recorded internally by respective subject teachers.
